

RED TRAIL ENERGY, LLC
TRADING SERVICE SUMMARY
JUNE 15, 2007

The following is a summary of the basic provisions of a Trading Service for members and non-members of Red Trail Energy, LLC (“Red Trail” or the “Company”) to buy and sell membership units of Red Trail. This is not a complete description of all the material aspects of the Trading Service. You should read the entire Operational Manual carefully before buying or selling Red Trail’s membership units on the Trading Service.

- **Trading Restrictions.** Strict regulation of trading of Red Trail’s membership units is necessary in order to remain exempt from IRS regulations that would result in double taxation of earnings. Accordingly, you may only trade or transfer membership units in accordance with the Trading Service Agreement and Operational Manual and all transfers must be approved by the Board of Governors. All unauthorized trades or transfers will be void and could subject the seller to involuntary redemption of his or her membership units at a fraction of their original price.
- **Trading Periods.** The Board of Governors will consider trades and transfers once per quarter (although some private transfers may be approved monthly, solely at the Board’s discretion). All trades and transfers that are approved will be effected on the first day of the following quarter, except when an offer to sell is posted the last 45 days of a quarter and is matched with an offer to buy in which case the transfers are approved the next following quarter. The quarters begin on January 1, April 1, July 1 and October 1 of each calendar year.
- **Transfer Requirements.** No member may transfer any unit if, in the determination of the Board of Governors, such transfer would cause the Company to be treated as a publicly traded partnership. The Board of Governors may elect in its sole discretion not to recognize any transfer unless and until (i) the Company has received an opinion of counsel satisfactory in form and substance to the Board that the transfer may be lawfully made without registration under applicable state and federal securities laws and that such transfer will not cause the Company to be treated as a Publicly Traded Partnership and (ii) all documents of conveyance are executed and delivered to the Company including the transferor’s membership certificate. There is no limit on the number of units or percentage interest that any member may own.
- **New Members.** All new members must sign a counterpart Member Signature Page to Red Trail’s Member Control Agreement and pay a \$100.00 Member Administration Fee payable to the Company by check or money order.
- **Private transfers.** Private transfers include a transfer by gift or bequest to a spouse or child of a transferring member or to a trust established for the benefit of such spouse or child or to an existing member of the Company upon ten (10) days written notice to the Company of such gift or some transfers upon death. To make a private transfer you must complete a Private Transfer Application and submit it to the Board of Governors for approval and

submit any other required documentation including the \$100.00 Member Administration Fee for each transferee who will become a new member to the Company.

- *Trading Service.* Red Trail has engaged Alerus Securities Corporation ("Alerus") to operate a Trading Service for Red Trail membership units. You may not sell or transfer Red Trail membership units to any unrelated party other than through this Trading Service. Sellers shall pay Alerus a commission of three percent (3%) of the purchase price for each trade, with a minimum of Two Hundred Fifty Dollars (\$250.00) per transaction and a maximum fee of Seven Thousand Five Hundred Dollars (\$7,500.00). Offers to buy or sell membership units through the Trading Service are non-binding until a written contract for sale has been executed. All offers to buy and sell remain subject to authorization by Red Trail's Board of Governors.
 - o Offers to buy or sell membership units through the Trading Service are non-binding until a written contract for sale has been executed. All matched offers to buy and sell remain subject to authorization by the transfer agent.
 - o Members interested in buying or selling their membership units should contact Alerus at 1-(800) 279-3200 (Ext. 3402) to complete a Listing Agreement or place a bid. You must indicate the price and number of membership units you desire to buy or sell in whole unit increments. You may submit your offer to buy or sell at any time during the quarter; however, if you list the membership units for sale during the last 45 days of the quarter, the transaction will not be submitted to the transfer agent until the end of the next quarter. Offers to buy or sell membership units will be made available by Alerus upon request and available listings, recent sales and offers to purchase will be posted on Alerus' website at www.alerusagstock.com
- Alerus will match bids with the listed offers for sale on a daily basis (with the exception of weekends and holidays), except that bids may not be matched with offers to sell until the membership units have been listed for at least 15 days. In matching offers, preference is generally given first to the lowest priced offers to sell or the highest bid price, then in the order received. The purchase price will be the buyer's bid price.
- When an offer to sell is matched with a bid, Alerus will contact the buyer and seller by telephone to confirm the sale and then send buyer a Unit Transfer Application. The buyer must return the signed contract to Alerus within ten (10) business days with a 100% deposit of the purchase price plus the counterpart Member Signature Page to the Member Control Agreement and other documentation, if applicable. The purchase price deposit will be held by an independent escrow agent until the sale is completed.
- After Alerus receives the buyer's contract, the \$100.00 for the Member Administration Fee, if a new member to the Company, and the deposit, Alerus will send the contract to the seller who must sign and return it to Alerus within ten (10) business days with his or her membership unit certificate(s) (or a lost certificate affidavit). In the Listing Agreement, the seller agrees to pay Alerus' commission if the seller fails to sign and return these documents as required.

- If you have pledged your membership units to secure a loan, you must get a signed consent from your lender to sell your membership units. The escrow agent will make the check for the sale proceeds payable to both you and the lender upon written request by the lender.
- Approximately 30 days prior to the end of each quarter, Alerus will submit to the Company's transfer agent the contracts and related documentation to confirm compliance with all Member Control Agreement restrictions, including Board approval.
- If the sale is authorized, the transfer agent will reissue the membership units to the buyer and inform Alerus to direct the escrow agent to disburse the net sale proceeds to the seller, after payment of Alerus' commission. If the sale is not authorized, the purchase price will be returned to the buyer and no commission will be charged.
- Offers to sell and offers to buy may not be listed any longer than 120 days. After an offer to sell or buy has been listed for 120 days it will be removed. A buyer may repost his or her offer to buy immediately; however, a seller will not be able to list any membership units for sale for at least 60 days after the offer is removed.
- No more than 10% of Red Trail outstanding membership units may be traded through the Trading Service in any calendar year. If the 10% limit is reached, no further trading will be authorized until after the end of the year.

CAUTION: This summary is current only as of the date printed on the first page. It may be updated or revised from time in the discretion of Red Trail's Board and in coordination with Alerus. The most current version will always be available on Red Trail's website, upon request to Red Trail or by link on Alerus' website. RED TRAIL ENERGY, LLC
TRADING SERVICE OPERATIONAL MANUAL
EFFECTIVE: JUNE 15, 2007

I. Purpose and Overview

Pursuant to the Trading Service Agreement dated June 1, 2007, incorporated by reference to this Operational Manual, Red Trail Energy, LLC (“Red Trail” or the “Company”) and Alerus Securities Corporation (“Alerus”), hereby agree to the following rules and procedures for the trading of membership units, and delivery of all necessary agreements and documents for the effective trading and transfer of membership units.

Red Trail must limit trading to preserve its favorable pass-through tax status. As a result, members will generally only be allowed to sell their membership units through the Trading Service. Transfers that are not made through the Trading Service will be null and void, unless they are transferred between family members, bequests upon death, or otherwise exempt from transfer restrictions and are approved by the Board of Governors. Members should review the provisions of the Trading Service on Red Trail's website for further guidance.

Brokers and dealers may not use the Trading Service to purchase or sell membership units for the accounts of others.

There is no charge to buyers or sellers to register or post membership units on the Trading Service; however, sellers will be charged a commission for completed transactions which is described below. Interested buyers and sellers should carefully read and follow the instructions provided below.

II. Terms and Conditions of Use

1. Red Trail is not listed on a national securities exchange or other regulated securities market.
2. The information set forth on the Trading Service does not consist of firm quotes, but rather merely lists the names, addresses and telephone numbers of interested sellers and buyers, the number of units offered or desired to be purchased, and the price at which the proposed transaction would occur. Red Trail will not assure that any particular transaction will occur as to any particular number of units or at any particular price. All the transactions must be executed independent of Red Trail or any of its affiliates.

This Trading Service Manual may be revised from time to time at the discretion of Red Trail and in coordination with Alerus. The most current version will always be available on Red Trail's website, upon request to Red Trail or by link on www.alerusagstock.com. Buyers and sellers should confirm that they are referring to the most current version of this Operating Manual when using the Trading Service.

3. All applicable state and federal securities laws, including registration requirements, apply to any offer made or transaction consummated using the Trading Service.

4. "Two-sided quotes" in which a person indicates a bid to buy at one price and an offer to sell at another price are prohibited.
5. Red Trail will act as the Transfer Agent for Red Trail and can be contacted at:

Telephone: (701) 974-3308

7. By accessing the service, the buyer and seller of the units agree to fully indemnify, defend and hold harmless Red Trail and its governors, employees, agents and members from any and all claims arising out of participation with units appearing on the Trading Service.
8. The securities appearing on the Trading Service are illiquid and inherently risky. Therefore, a prospective investor must understand that he/she/it must be able to withstand the total loss of their investment.
9. The securities listed on the Trading Service are not endorsed by any regulatory authority. The fact that the securities may have been registered with a state regulatory agency and/or the SEC does not constitute an endorsement by any regulatory body. Any representation to the contrary is a criminal offense.
10. The appearance of securities on the Trading Service does not constitute an offer to sell nor solicitation of an offer to buy securities by Red Trail.

III. Trading Periods

Sellers may post offers to sell membership units (also referred to as the "ask price") and purchasers may post offers to purchase membership units (also referred to as the "bid price") on the Trading Service during any business day of the year. Offers to sell will be matched with offers to purchase on a rolling, daily basis after the Offer to Sell has been posted for at least 15 days. Trades will be completed four times a year on the first day of each quarter beginning on January 1, April 1, July 1 and October 1. Alerus shall provide, orally or in writing, to persons that inquire all offers to sell or purchase posted to the Trading Service as of the day of the inquiry. Alerus shall provide such information, either orally or in writing, within a reasonable period of time following such request.

4. Non-firm quotes. All offers to sell and purchase posted to the Trading Service shall be considered non-firm.

6. Increments. Offers to sell and offers to purchase membership units must be made in whole unit increments and a purchase price per membership unit in whole dollars and cents. No offer to sell or purchase of partial or fractionalized membership units may be posted to the Trading Service.
7. Waiting Period. An offer to purchase may not be accepted by the seller prior to the 15th calendar day after the offer to sell is posted to the Trading Service.
8. Modification of offers. An offer to sell may be modified by the seller at any time, subject however to the restriction that an offer to purchase cannot be accepted by a seller prior to the 15th calendar day after the modified offer to sell is posted to the Trading Service. Said modification shall not alter or extend the 120-day maximum period the membership

units can be posted for sale by the Trading Service. If Alerus communicates to a seller an offer to purchase and the offer to purchase is at a bid price equal to or in excess of the seller's ask price, and if the seller declines to accept the offer to purchase for the bid price, seller shall either set a new ask price (non-firm) or request cancellation of the offer to sell. If the seller sets a new ask price (non-firm), the seller's ask price shall not be eligible for acceptance until the 15th day after which the modified offer is communicated to Alerus and posted to the Trading Service.

9. **Cancellation of offers.** Sellers may cancel an offer to sell at any time prior to his/her/its acceptance of an offer to purchase. All offers to purchase (bids) may be cancelled by contacting Alerus by telephone or in writing at any time prior to an agreement for sale being reached by seller and purchaser (communication of an offer and acceptance).
10. **Matching order rules.** Matching of offers to sell and offers to purchase shall be governed according to the following rules:
 - a. An offer to sell shall not be eligible for matching and acceptance with an offer to purchase prior to the 15th calendar day of said offer to sell being posted to the Trading Service.
 - b. For multiple offers to purchase, the offer to purchase with the highest bid price shall have the first opportunity for matching.
 - c. For multiple offers to purchase which exceed an asking price eligible for matching and which are posted between the 1st and 15th calendar day after an offer to sell has been posted to the Trading Service, Alerus shall make reasonable efforts to contact all such bidders at the end of the day of the 15th calendar day, and inform them of the multiple bids, at which time each bidder will be allowed to submit one final bid.
 - d. For multiple offers to sell, the offer to sell with the lowest asking price posted to the Trading Service shall have the first opportunity for matching.
 - e. For multiple sellers at the same asking price, the seller who posted the offer to sell membership units first in time has priority. For multiple purchasers at the same bid price, a purchaser who posted an offer to purchase first in time has priority.
 - f. After price and time, precedence is given to the seller or purchaser with the largest order.
 - g. If priority cannot be established by price, timing or order quantity a prevailing seller or purchaser is selected at the discretion of Alerus.
11. **Closing date; Purchase Price.** Closing of the sale, at which time the net proceeds will be forwarded to the seller, shall not take place prior to 45 days after the offer to sell is posted to the Trading Service. The purchase price for each sale shall be the bid price stated in the offer to purchase that is matched with the offer to sell.

12. *Removal.* Offers to sell and offers to purchase may be posted to and listed on the Trading Service for a maximum of 120 days. Any offer to sell or purchase that has not been matched at the end of the 120 days shall be removed from the Trading Service.
13. *Eligibility for future posting.* A seller whose offer to sell has not been matched within 120 days and consequently whose offer to sell has been removed from the Trading Service will not be eligible to post a new or subsequent offer to sell unless and until 60 calendar days have expired from the date of the previous offer to sell was removed from the Trading Service. Purchasers will be eligible to repost any offer to purchase immediately after it is removed.

V. Trading, Payment and Transfer Procedures

1. *Listing Agreement.* To be eligible to sell membership units, the seller and Alerus must sign a Listing Agreement authorizing Alerus to seek a purchaser for membership units. The Listing Agreement will specify and include the following:
 - Name, address, and telephone number of the interested seller, social security number, date of birth, occupation, and employer name and address;
 - Number of membership units offered for sale;
 - Price at which membership units are offered for sale;
 - Expiration date;
 - Listing date;
 - Responsibilities and obligations of seller and Alerus;
 - Obligation of Alerus to secure 100% of purchase price;
 - Sales commission rate and minimum commission.
2. *Placing offers to purchase.* Prospective purchasers who desire to place an offer to purchase may contact Alerus in person or by telephone. An offer to purchase may be made at the lowest listed asking price or any other price. Two-sided quotes in which a person indicates a bid to buy at one price and sell at another are prohibited.
3. *Communication offer to purchase to seller.* Once an offer to purchase is made that equals or exceeds the asking price of one or more listed offers for sale, the eligible offer to purchase is communicated to the seller having the lowest asking price for readily available membership units in accordance with the matching order rules as described above. Alerus will use reasonable efforts to contact eligible sellers; however, if Alerus is unable to make contact with a seller within a reasonable time according to its best judgment, Alerus will communicate said offer to the next eligible seller. After communication of an offer to purchase to seller, if an offer to purchase is at or above the posted asking price, seller has the option to accept or reject the offer to purchase.
4. *Transfer Application.*
 - a. Upon verbal agreement for sale between a purchaser and seller, Alerus will generate and send to purchaser a Contract for Sale and a counterpart Member Signature Page to the Member Control Agreement.

- b. Purchaser shall be obligated to fully execute and return to Alerus said Contract for Sale, an earnest money deposit equal to 100% of the accepted purchase price (check made payable to "Bremer Bank, Escrow Agent"), an executed counterpart Member Signature Page to the Member Control Agreement and a \$100.00 Member Administration Fee, if a new member of Red Trail, within ten (10) days of receipt of the Contract for Sale.
- c. Upon receipt of the purchaser's executed Contract for Sale, earnest money, executed counterpart Member Signature Page to the Member Control Agreement and \$100.00 Member Administration Fee made payable to the Company in the form of a check or money order, if a new member to the Company, Alerus will immediately deposit the earnest money into a non-interest bearing escrow account at Bremer Bank, N.A. ("Escrow Agent") and forward the Contract for Sale to the seller for signature.
- d. Seller shall execute and return to Alerus said Contract for Sale and membership unit certificate(s) (or a satisfactory lost certificate affidavit) within ten (10) days of the date of receipt of the Transfer Application.
- e. In the event the Seller granted to a lender a security interest in the Membership Units, the Seller is required to provide proof of the lender's consent and any transfer instructions with the Contract for Sale. At the time of closing the securities must be free and clear of any lien, encumbrance, pledge or security interest.

5. Notification. Upon receipt of the fully executed documents from the seller and funds from the purchaser, Alerus shall forward to the Transfer Agent the Contract for Sale, membership certificate, and counterpart Membership Signature Page to the Member Control Agreement. The Transfer Agent shall subsequently confirm with Alerus the Board's approval of the completed transaction.

6. Completion of Sale. Upon receipt, Alerus will forward to Red Trail's Transfer Agent copies of the Contract for Sale and all other documents relating to each match of membership units together with proof of purchaser's 100% remittance. Upon Alerus' receipt of notice from the Transfer Agent that a membership unit certificate is being issued to the purchaser, Alerus shall direct the Escrow Agent to transfer the sale proceeds (purchase price minus commission) to the seller on the effective date (see below). On or shortly following the effective date, the Transfer Agent will send the new certificate to the purchaser. If any liens or restrictions on the membership units prevent the Transfer Agent from processing the sale, Alerus shall direct the Escrow Agent to refund the entire amount deposited to the purchaser within ten (10) business days of receipt of notification of such determination. The \$100.00 Member Administration Fee will also be refunded to the Purchaser.

7. Alerus' commission. Prior to the Escrow Agent's transfer of the sale proceeds to the seller, the Escrow Agent shall deduct an amount representing the sales' commission and transfer such commission to Alerus. The commission will be Three Percent (3%) of the

purchase price, but in no event less than Two Hundred Fifty Dollars (\$250.00) or more than Seven Thousand Five Hundred Dollars (\$7,500.00).

8. *Trade effective date.* All sales and transfers shall be effective upon the first day of the quarter following a match if 45 days has expired since the offer to sell was posted. If the offer to sell is posted during the last 45 days of the quarter, the sale will be effective on the first day of the next following quarter. For example, if an offer to sell is submitted between January 1 and February 13, the trade will be effective on April 1 if buyer and seller meet the above delivery deadlines. On the other hand, if the offer to sell is posted after February 13, the trade will not be effective until July 1 even if all delivery deadlines are met.
9. *Reporting Requirements.* Sales by officers, governors, and certain beneficial owners must be reported to the SEC within two (2) days. Acquisition of ownership of ten percent (10%) must be reported to the SEC within ten (10) days.

RED TRAIL ENERGY, LLC
MEMBERSHIP UNIT TRANSFER AND TRADING SYSTEM

All transfers of membership units of Red Trail Energy, LLC must be completed in accordance with the guidelines set forth herein, as it may be amended from time to time by Red Trail's Board of Governors (the "Board of Governors" or the "Board"). This Transfer and Trading System (the "System") is adopted pursuant to the authority vested in the Board by the Operating Agreement and the Member Control Agreement adopted and agreed to by the members of Red Trail.

I. General Requirements

- A. No Default.** A person desiring to transfer membership units must be current and not in default of any obligation owed Red Trail.
- B. IRS Rules.** This System shall be operated so as to prevent Red Trail from being classified as a Publicly Traded Partnership under Section 7704 of the Internal Revenue Code of 1986 and the corresponding regulations promulgated thereunder (collectively "the Code"). Any interpretation of the provisions of this Trading Service shall be conducted in accordance with this requirement.

The Board has the right to approve or reject any proposed transfers or sales in its discretion; provided, however, that the Board is not authorized to approve any transfer or sale that would result in either the transferor or transferee owning less than one membership unit or that would result in Red Trail being treated as a publicly traded partnership under the Code.
- G. Effective Date.** All sales and transfers shall be made effective upon the first day of the quarter following the date the transaction is approved by the Board. Red Trail's trading quarters shall begin on January 1, April 1, July 1, and October 1 of each calendar year.

All relevant information required to complete the transfer of membership units on Red Trail books and records must be provided to the Transfer Agent. The Transfer Agent shall be responsible for verifying that all information and authorizations necessary under the Member Control Agreement to complete a sale or transfer has been received and that the membership units are eligible for sale or transfer. If no transfer agent is designated by the Board, then Red Trail shall serve as its own transfer agent and the Board shall carry out or delegate the duties of the Transfer Agent set forth herein.

2. Trading will be conducted through a third-party trading service which will be owned, operated, and maintained as an alternative trading service under Regulation ATS by a registered broker-dealer (the “Trading Service Operator”). The Trading Service will be accessible through and by telephone, the internet, e-mail or in person that will permit buyers and sellers to trade membership units of Red Trail on a periodic basis pursuant to specific rules and procedures mutually agreed upon between Red Trail and the Trading Service Operator. The specific rules and procedures relating to posting or listing membership units for sale or purchase on the Trading Service, matching offers to buy and sell membership units, timing, payment and delivery shall be set forth under a separate Trading Service Agreement and Operational Manual to be adopted by Red Trail and the Trading Service Operator.
3. The responsibilities of the Trading Service Operator are set forth solely in the Trading Service Agreement, the Operational Manual and Regulation ATS. The Trading Service Operator is not responsible in any way for enforcing the provisions of this Trading Service. In addition, nothing in the Trading Service Agreement or Operational Manual shall be construed to prevent a subscriber (as that term is defined in SEC Regulation ATS) from trading outside the trading service.
4. Operating Agreement and Member Control Agreement requirements and IRS restrictions that do not relate to procedures set forth in the Operational Manual shall be governed and enforced by the Board pursuant to the authority vested in the Board by the Operating and the Member Control Agreements adopted and agreed to by the Company’s members.
